

Dear Parents/ Guardians,

Our school has been working closely with POSB for the past couple of months and we are pleased to finally announce that we have successfully implemented POSB Smart Buddy as an e-payment option in our school canteen and bookstore. This is in support of the [MOU](#) that MOE has partnered with POSB to extend Smart Buddy to all schools in Singapore. With this implementation in **Westwood Secondary School**, all our students can now opt to use e-payments for their in-school purchases from **16 May 2025** onwards.

The POSB Smart Buddy Programme is the **World's first in-school wearable tech programme** to enable a contactless payment ecosystem that helps cultivate sensible saving and spending habits among children. Paired with the Smart Buddy mobile app, all parents, like yourself, would be able to remotely manage your child's daily allowances, track their spending and savings, and even set saving goals in a digital and interactive way. You can learn more about POSB Smart Buddy and choose to apply [here](#) or watch this [video](#) to learn more about its features.

Kindly note that your child will be able to make purchases with the cards/ watch shown below. You can also download the POSB Smart Buddy mobile app and link these cards/ watch to track your child's payments and savings.
